

ATE FDS 60 im Sennheiser TeamConnect Wireless System ... !

German Chancellor Angela Merkel and Japanese Prime Minister Shinzō Abe visited Sennheiser today at CeBIT in Hannover, Germany. Co-CEOs Daniel and Dr. Andreas Sennheiser gave a short product presentation, and both politicians were introduced to Sennheiser's focus product at this year's CeBIT: TeamConnect Wireless. From today, visitors are invited to immerse themselves in the Sennheiser for Business products at the Sennheiser booth (Hall 12, E29).
